

Breakaway Banners

Pump up the crowd and players with Celina's Breakaway banners! Our exclusive design separates in the center as the players make their way onto the field and is 100% reusable. The two sections simply attach and reattach with the hook and loop fastening down the center seam. Made from commercial grade weatherproof polyester, it's sure to last over and over again! Each banner is reinforced with two pole pockets on each end to accommodate a standard PVC pipe. After the dramatic entrance simply roll the banner up and store it for the next big game!

BANNER SPECIFICATIONS:

- Constructed of lightweight PVC
- Sewn hem with pole pockets on each end
- Hook and loop sewn down center seams
- UV/water resistant
- Banners receive a standard PVC pipe.
- PVC pipe is to be sourced at your local hardware or home improvement store.
